to your future.

ALA American
Library
Association

About ALA

The American Library Association (ALA) works for students by advocating for increased library funding and ongoing development of the profession. Through our accreditation program, ALA ensures that the training you receive will prepare you for the career you have chosen.

We will help you with resources to find your first job and to remain competitive. ALA student members have access to the best network of career and professional development resources for library workers.

You need more than just class work to be fully prepared for your career. Joining ALA Divisions and Round Tables is an excellent way to build experience in your specialty, meeting and working with long-time professionals. Student members can take advantage of ALA resources like our resume review services, job placement events, and medical, dental, and life insurance.

To learn more about ALA and our Divisions or Round Tables, visit www.ala.org or call 1-800-545-2433, ext 5.

About TLA

Student members of the Texas Library Association (TLA) have a unique opportunity to broaden their experience outside of the classroom and connect with the issues that affect our profession. Our membership is thousands of library professionals dedicated to the future of Texas' libraries. Your membership is access to the networking opportunities that will benefit your work life and connect you with your future.

Join TLA and learn about librarianship and information management in a "real world" context. Find a mentor and be exposed to a wide variety of libraries and library issues. Student members are called upon to not only learn but to lead. You have hundreds of opportunities through committees and work groups to build your resume while serving the needs of the profession. Your work life is accelerated through your membership in TLA.

Visit www.txla.org today to learn more and to join both ALA and TLA for only \$32/year.

TLA Interest Groups

Your TLA student membership entitles you to participate in various areas of interest. Please contact Haven Toothman at havenwt@txla.org (1-800-580-2852) to specify one division and one round table or interest group without additional charge. Current divisions are for the four types of libraries: academic, public, school, and special. There are also more than two dozen round tables and interest groups available.
